Sports Fixtures *(see Sports Board)*

## Extended Day programme

Our rich and varied programme of extra-curricular activities enables our pupils to explore different interests and discover new talents. The programme is updated each term, with new activities added. All pupils are encouraged to take part and the variety on offer ensures that there is something for everyone. If you would prefer for your child not to take part in any of the after-school activities please notify the school office.

For some activities a charge is applicable, such as individual music tuition and CCF. In addition, due to the continued popularity and increased range of cooking and craft activities on offer, a small charge may be made to ensure that we are always able to provide worthy items and activities.

Boarders will participate in their chosen activity each day that they are boarding. Day pupils may stay for tea and participate on any number of nights during the term for the activities listed in the programme. The scheme is designed to be flexible to enable pupils to stay when they wish without regular commitment, although the nature of some activities will require regular attendance.

## Registration Rules

In order that the school knows how many pupils are on the premises each evening and can check on their whereabouts, all pupils must register at tea for their chosen activity. Tea will be provided at 16.00. Pupils should be at their chosen activity by 16.20. Day pupils should leave at 17.30 (unless prior arrangement has been made).

## Transport

The school provides additional transport at 17.40 on Monday to Thursday for those already paying for transport at the end of the day. On Friday all transport will leave school at 16.10. See the website for full details of transport routes and pick up times.

A fixed rate of £7.70 per day is charged. Please contact [sean.kulan@luckleyhouseschool.org](mailto:sean.kulan@luckleyhouseschool.org) to check the availability of spaces.

## Prep

Supervised prep is available Monday to Thursday in the Library. This enables the pupils to complete their homework in a structured, but relaxed environment, one or two days per week, while enjoying alternative extra-curricular activities on other days.
