

# Luckley Kitchen Assembly

Week 1

Monday 23rd March 2020

The next slide is both  
funny and serious

Why is it funny?  
Why is it serious?

Where's Wally 2020

# We have all been told to socially isolate.

This short explanation may help you to understand why, and possibly help to make things less scary.

# At times like this.....

All you need is love.....have a listen to a favourite.....

“Therefore, as God’s chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. Bear with each other and forgive one another if any of you has a grievance against another. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity.”

–Colossians 3:12-14

# We all need to think about this idea of love

- What do you love about the people you are closest to?
- Perhaps the answer is “I don’t know, I just love them”
- They probably really get on your nervous at times, but you still love them
- Sometimes we do bad things to the people we love, and they do bad things to us, but we still love them.

# We all need to think about this idea of love

- Remember we are all loved by God
- Because we are loved we need to be compassionate and kind and all the other things mentioned.
- We will need to forgive each other, as we are likely to be annoyed by something, more often than normal.
- Remember that God forgives us.
- And it is love that binds all these things together, and give us the reasons, to be kind....etc

The poem on the next slide was  
written by a young man I have  
known since he was a little boy. It  
is lovely.....

The ground that hatred has gained will be retaken by love;  
the losses that we've sustained will be remembered by love;  
the tears that we've cried will be wiped away by love;  
the pain and grief inside will be healed by love;  
the work that seems divided will be remade by love;  
this fight is one-sided - the universe was built by love and it was made to bring  
us together;  
love is patient, kind, formidable, invincible and it's the only thing that will last  
forever.

Not even death can defeat love.

So all of the sorrow and the loneliness,  
All of the anger and bitterness and confusion and brokenness  
will be outflanked, outdone, outmatched and overcome  
by love.

**Love - by Gideon Heugh**

In strange times it is good to do something familiar.  
In assemblies we sing (or at least some of us sing).  
The attached song is based on a Psalm often used  
at times of trouble. It is very well known and this is  
the version we sing at school.
