PHOEBE MURRAY

Luckley Sport Online:

Q&A with England U20 Tri-Nations winning Captain.

Having played since I was 7 years old, I progressed through the pathway from club level to eventually captaining England U20 to becoming Tri-Nations champions against Canada and USA for 2 years running. I will be sharing how I made it to international representation, how I found my feet in a male dominated sport and how I manage to balance my training whilst studying to become a doctor. This will be an insight into my daily life and what I do to put myself in the best position to hopefully become a professional athlete in the future, which I hope you will be able to apply to yourselves too.
