Hire Charges

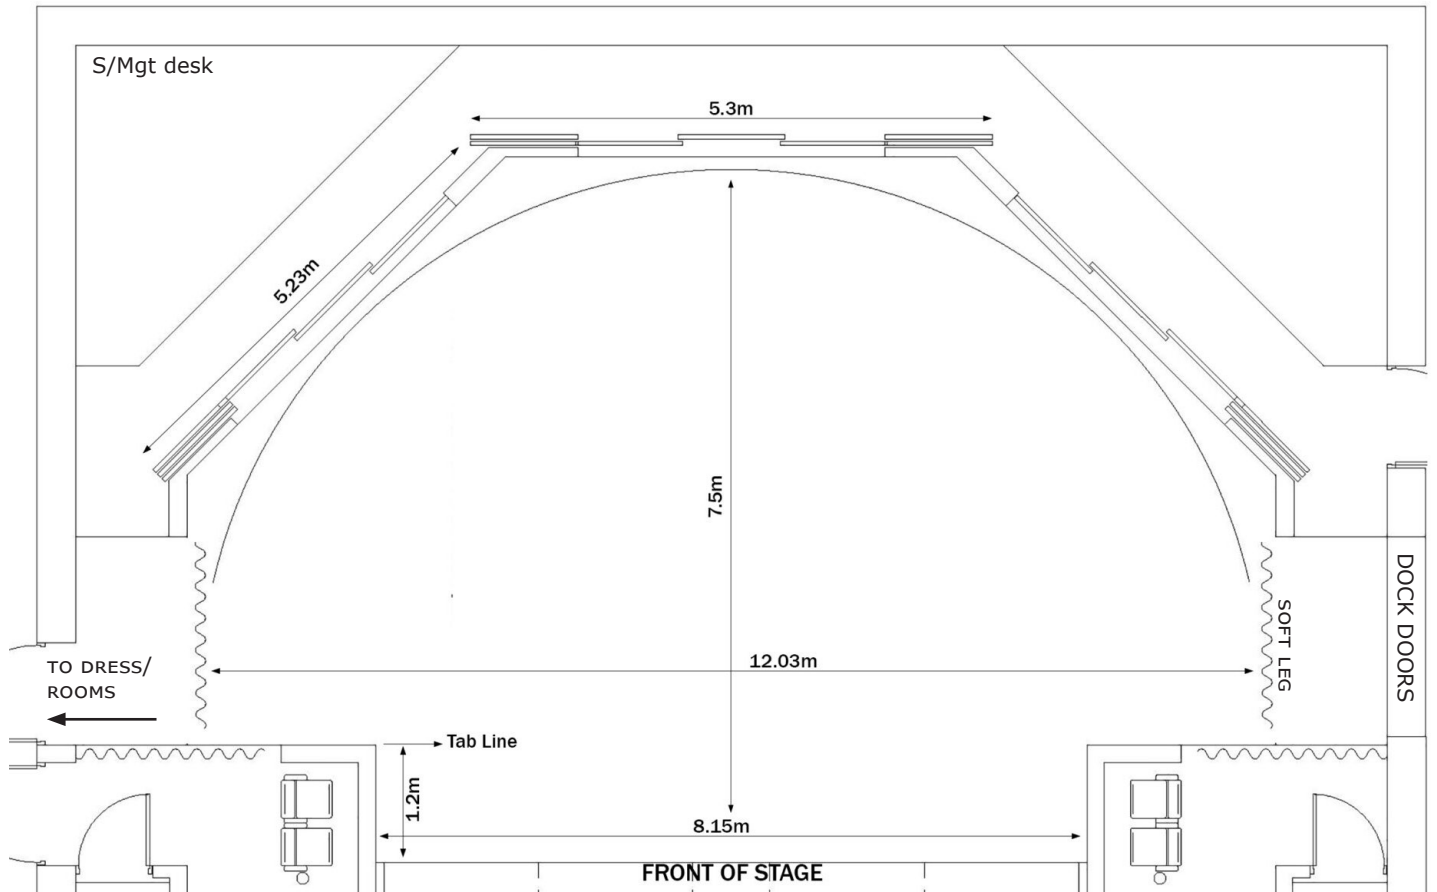

The below costings are to be used as a guide only. An official quote will be provided once the precise times of access have been agreed. Hires are charged from the time the first person arrives at the venue, to the time the last person departs. A deposit of 20% of the total hire charge will be required to confirm the booking. All costings are inclusive of VAT, include access to all available technical equipment, and will include a duty technician (usually the Theatre Manager) (who may be able to operate lighting a/o sound if available, though for more technically-complex events it would be necessary to bring in an additional operator). The Theatre Manager may bring in a student from Luckley House School to work on the event in a work-experience capacity from time to time.
